GENERAL INSTRUCTIONS for all Schedules.

1. Values reported should be as of date of death.
2. Each asset of a Schedule is to be given its own "Item Number."
3. DO NOT list any joint tenancy property unless the Decedent did not intend to create a true joint tenancy, but rather created for convenience a nominal joint tenancy which is subject to probate. Joint tenancy with right of survivorship property listed in this inventory may be converted to probate property.
4. List the gross fair market value of each item without subtracting mortgages or liens.
5. List all mortgages and liens for which decedent was liable on Schedule E.
6. Attach needed schedules from the Inventory, P-600. Blank schedules need not be attached.
