Benefits of Sponsorship

## About the Event

In September, Minnesota CLE will host the 2025 Midwest IP Institute at our state-of-the-art conference facility in Minneapolis MN. The Midwest IP Institute is a “must-attend” event for practical updates on the new laws, new rules, new cases, and current trends that private practice advisors, litigators, and in-house counsel need to know. Drawing over 200 attendees specializing in intellectual property to learn from local and national experts, this niche group of attorneys is looking to network with companies like yours, and we hope to work with you to facilitate that connection!
