QUESTIONS AND ANSWERS

Why a Checklist Approach?

With all the rules, deadlines and details that accompany motion practice, how can you ensure that you’re not missing anything? By following a checklist. You’ll receive 9 checklists at the course full of helpful practice tips, pitfalls to avoid, rules to follow, strategic considerations to ponder and more.

The seminar faculty have years of experience in state and federal courts. Share the insights they have gained and benefit from their experience.

As Atul Gawande, surgeon and author of the best-selling book, *The Checklist Manifesto: How to Get Things Right* wrote, “Checklists seem able to defend anyone, even the experienced, against failure in many more tasks than we realized.”

Attend the course and checklist your way to success!

Course Materials

Attendees will receive a handy course manual compiling all 9 checklists. Use it to follow along with the presentations, take notes, and then take it home for future reference.
