Elimination of Bias: Transgender Issues 101

Author, attorney, and national speaker/trainer on human inclusivity, Ellie Krug will discuss the basic concepts involved with what it means to be transgender or gender nonbinary. She will also talk about the current legal issues affecting transgender people, both in Minnesota and nationally. Her presentation will also highlight potential pitfalls for attorneys who interact with transgender clients, opposing parties or attorneys and will give tips on how to be welcoming. By hearing Ellie’s own inspirational story of self-discovery and transition, attendees will gain a deeper understanding of the many emotions, challenges and prejudice that transgender people must confront in order to become their true selves.
